# Stop moving!

by [MiaQc](#)

## Summary

A very short, cute story featuring Musume and a Purple Pikmin. She wants to sketch it.

- A translation of [Arrête de bouger!](#) by [MiaQc](#)

"Gaaaah! Stop moving!" Musume says, frustrated, to Purple Pikmin.  
"How am I supposed to sketch you if you're always moving around?"

But the Pikmin, curious about everything it sees in the small girl's room, keeps moving. Musume puts down her pencil with a sigh.  
There's no point in carrying on... for now.
